72nd Annual DOS International

Hybrid Conference 2021

Practice to Perfection

26th September – 3rd October 2021

The Grand Academic Festival Week

www.dosonline.org

Respected Senior & Dear Friends,

Greetings from Delhi Ophthalmological Society!

On behalf of the executive committee of Delhi Ophthalmological Society, it is our great pleasure to invite you to the 72nd Annual DOS International Conference 2021 to be held between September 26th to 3rd October 2021. This international conference will be held in hybrid format at Ashok Hotel, Chanakyapuri, New Delhi, India and on virtual platform. **The theme of the conference is: Practice to Perfection**. This conference will bring together practitioners, researchers and educators from India and abroad who are engaged in state of the art ophthalmic academic work. This conference will offer you the outstanding summary of the latest advances in all fields from around the world and chance to see the latest technology.

The Delhi Ophthalmological Society, with around 10,000 members across India is committed to furthering the cause of continuing medical education and promoting camaraderie and fellowship amongst ophthalmologists worldwide. The DOS conference is a much awaited, time-honored academic fiesta, which attracts faculty, trade exhibitors and delegates from all over the world.

The conference will be a three-day celebration of ophthalmology featuring the best works in the fields of Cataract, Refractive Surgery, Cornea, Glaucoma, Strabismus, Neuro-ophthamology and Occuloplasty. The diverse program will feature plenary lectures, symposia, instruction course, hands on wet labs and live surgery demonstration, Eposter, Video and interesting cases.

As you will venture out of the confines of the state of the art conference hall and the world of ophthalmology, the vibrant Delhi summers, along with its legendary hospitality and bustling energy will enthrall you for all those who will be attending the conference physically. After the academic extravaganza there will be the captivating cultural program and fellowship dinner, true to the DOS traditions.

We would be delighted to have you present at this conference, and to hear what the experts, gurus and researchers have to share about technology advancements and their impact on Ophthalmology. We would also love to hear your thoughts and opinions to this direction.

We look forward to your esteemed presence at the 72nd Annual DOS International Conference – 2021.

Respectfully Yours,
